## PROJECTS

**Pawgress** | Full-Stack Web Application

Oct 2023 - Present

- Led a team of 4 developers to build a user friendly web application that empowers pet parents to track and maintain positive pet behavior through seamless user experience and community engagement
- Built using: JavaScript, Node, MySQL, React, Bootstrap

**GymPal** | Full-Stack Web Application

Aug 2023 - Sep 2023

- Worked as a backend developer on a team of 4 to build a sleek web application designed to help users create fitness plans by pairing a workout routine with a healthy recipe
- Built using: JavaScript, HTML, CSS, and external APIs

## WORK EXPERIENCE

**Lead Dog Trainer** | **Dances With Dogs** | Miami, FL

Feb 2021 - Present

- Designed and distributed over 25 unique educational handouts for pet parents, highlighting user-friendly informative design techniques
- Developed tailored behavioral plans for pets by analyzing client's unique needs
- Interacted with an average of 5 clients per day, honing the capacity to empathize and address diverse client needs

**Social Media Manager/Transaction Coordinator** | **The Olmedillo Group** | Miami, FL

May 2023 - Present

- Developed and published weekly social media content, resulting in an 86% expansion in engagement and reach
- Establish a quality assurance framework to increase team efficiency and effectiveness in real estate transactions between our client and third parties with a focus on maintaining and enforcing deadlines

**Animal Care Manager** | **Aguacate Sanctuary of Love** | Miami, FL

Oct 2022 - Oct 2023

- Obtained non-profit status through the IRS, demonstrating strong documentation, and regulatory compliance skills
- Effectively planned, marketed, and ran fundraising events to generate over \$700 in revenue within two months
- Directed sanctuary operations by supervising a team of six and coordinating with a diverse group of rotating volunteers. Enhanced animal welfare standards utilizing leadership, teamwork, and project management skills

**Interpretive Programs Attendant** | **Zoo Miami** | Miami, FL

Oct 2018 - Feb 2021

- Mentored six intern cohorts, facilitating their transition to successful careers in conservation science
- Designed and implemented comprehensive training documentation to enhance the zoo's internship program
- Maintained daily records of animal behavior, training progress, and health logs, with an emphasis on attention to detail and data integrity on ZIMS software

**Robotics Mentor** | **School for Advanced Studies, Ransom Everglades** | Miami, FL

May 2015 - Aug 2019

- Ignited passions in students by mentoring them in the design, construction, and programming of robots, sparking curiosity and building their interest in STEM fields
- Cultivated a "coopertition" mindset where opposing teams of diverse students collaborated on their robot's development, promoting effective communication and sportsmanship to drive innovation
- Led easy-to-follow workshops and presentations to explain technical robotics concepts to students from grades 4-12
- Cultivated partnerships with local schools and businesses who provided crucial financial and in-kind support to promote STEM programs and the robotics team's endeavors

## MEDIA APPEARANCES

**Guest Speaker** | **Podcast: Get Informed!** | Episode: "Girls Game Too!?"

Dec 2021

- Shared insights and experiences on overcoming discrimination faced by women in gaming, and strategies to foster inclusivity and diversity within gaming communities
- Advocated for gender equality and empowerment within the gaming sphere, addressing challenges and promoting positive change
